Special Note: VOSAP inspired Indian community of Los Angeles, [raised \\$110,000](#) in 1st Fundraiser

Wishing you all a very Happy Ganesh Chaturthi, Janmashtami and Samvatsari! Michhami Dukkadam!

VOSAP mission is gaining strength and support by inspiring more and more people with its message, unique execution strategies supported by VOSAP mobile app, technology that is resonating with world leaders as well as thousands of grassroots volunteers.

On Aug 12, VOSAP achieved a new milestone in its journey to empower Divyang jan (SAP/PwD). Donations ranging from \$20 to \$25,000, totalling to **\$110,000, in 15 mins** of Matching Donation Fundraiser in the interval of the soulful monodrama by Padmashree Shekhar Sen, portraying the life of "Soordas" in Los Angeles.

Los Angeles based volunteers worked diligently for 2 months to ensure the success. VOSAP is immensely thankful to our [donors](#), especially Shri Manubhai Shah (Philanthropist and Chairman, MS International), who not only donated US\$ 25,000 but also appealed the audience to maximize their donations.

--> VOSAP is deeply saddened by death of Shri Ukabhai, who has been a great supporter, strategic donor of VOSAP. Shri Ukabhai inspired everyone to serve humanity. We pray God for his soul to RIP.

Inspiring News: On Aug 26 2018, major victory towards enforcing new law - Rights of PwD 2016 wherein Supreme Court of India ordered that petitioner Ashutosh Pirswani, an SAP/PwD with Low Vision can not be denied Admission to medical courses.

[How US based NRI contributed in this Supreme Court case, bringing in permanent Change in India?](#)

Manushri Desai, VOSAPian from Los Angeles, student at USC (University of Southern California) made a lasting impact during her trip to Ahmedabad, India. She met Dr Punani of Blind People's Association (partner of VOSAP) and learnt about an opportunity to provide reference data from the US for this pending case of Ashutosh for his admission to B J Medical College, Ahmedabad. Manushri with her colleague Shivam Saran provided excellent reference data after 12 hours of research efforts so that lawyers can use that in supreme court hearing since there is no reference data in India as to how low vision person can be a good medical professional.
