- Should currently be residing in the US
- Should be able to fulfil internship requirements within a 12-month period
- All students satisfying above mentioned criteria can apply for the internship. However, to be eligible for PVSA, as mandated by the PVSA issuing authority, the student should be a US citizen or a green card holder

### **Terms and conditions**

- No monetary compensation will be provided to the interns. This is a pure volunteering program to participate for a social cause
- VOSAP will verify supporting application documentation
- Interns will be selected by the VOSAP panel through its proprietary selection process and their decision will be final
- Any incorrect or false information provided during the application process or subsequently will lead to cancellation of internship
- Any kind of plagiarism during internship will lead to cancellation of candidature
- Interns are required to record (in VOSAP system) their volunteering hours along with supporting information and evidence
- VOSAP will have authorized representatives who will approve the internship hours based on evidence and output. Their decision will be final
